PARENT TEACHER CONFERENCES

Dear Families and FSD 145 Staff,

The end of the first quarter for elementary and middle school students and mid-semester for high school students is a great time to take a breather and reflect upon the hard work and dedication our students have shown. It is a great time to celebrate their achievements as well as address any challenges they may be facing.

The Parent/Teacher Conferences on November 7 and November 8 are a valuable opportunity to discuss your child's progress, set goals, and strengthen the partnership between home and school. Please look for communication from your child's school regarding scheduling.

Our staff looks forward to meeting with you and we thank you for continued partnership with FSD 145.

FOOTBALL TEAM MAKES PLAYOFFS

For the first time in 16 years the
varsity football team has made it to
the the playoffs.

SUPER EXCITING!

We asked Coach Anthony Dedmond:

Q. What are you most proud of about this team?

A. What makes me proud is to see these individuals come together for one common goal, and that is overall success for the entire program. The bond they have speaks volumes, and is a big reason why they have had so much success to this point.

Q. What are your expectations going into Saturday's game?

A. My only expectation is for them to leave it all on the field. Nothing is guaranteed, and at the end of the day you never want anyone to have regrets. Have fun and play their hearts out, because this moment will create memories that will last a lifetime.

Want to see the team in action? The game will be held tomorrow at 6 PM at Woodstock North High School in Woodstock, IL. The game will be broadcast live on Q102 (102.1 FM).

Also available live worldwide on the internet at www.BigRadio.fm

And on the Big Radio app which is available free at www.BigRadio.fm/app

Whether in the stands or from the comfort of home we will be loudly and proudly cheering on the team!

IL School Board Member Day

This is an opportunity to build community awareness and understanding about the essential role locally elected board of education members assume in a representative democracy. We salute and give thanks to our FSD Board Members for their unwavering, voluntary commitment and service to FSD 145.

Upcoming Production

FHS PRESENTS: MEAN GIRLS

Mean Girls: High School Version. Variety says "Tina Fey's catty book and Nell Benjamin's saucy lyrics pump laughs into this smart, funny, musical-comedy version of the 2004 movie." When Cady becomes the new girl at North Shore High School in Chicago, she is desperate to fit in and find friends. With dynamic songs for young performers, Mean Girls is an anthem to friendship, loyalty, girl power, and being true to yourself. Tim Connors directs this lively musical.
