Freeport High School Honors Agreement

If parent/guardian and student agree that an Honors class is appropriate, please read and sign the following statement. Both parent and student must sign.

Being in an Honors class is a commitment on the student's part to meet the requirements of the class/es and the classwork that is required. Changes from an honors class to a regular class can only be made at semester if space is available and the student's schedule can be adjusted.

_____ _____

Parent Signature Date Student Signature Date

Each student will be given the opportunity, with the help of a Freeport High School counselor, to make final course selections. Please sign and return this sheet to FHS when you attend your registration session.
