

Dear Students, Families, and Friends,

The activities on the next several pages were created for you to sharpen your skills, challenge yourself, and explore learning. These are not meant to replace classroom learning and parents are not being asked to replace teachers. If at any time, you are confused about an activity, need some extra support, or maybe just need to talk with someone, our teachers and staff are here for you.

- All teachers keep regular office hours from 9am until noon each school day.
- All teachers and staff can be contacted by email (firstname.lastname@fsd145.org).
- Some teachers also use Remind, Schoology, or Google Classroom to send and receive messages.

For the most current information about our emergency closure and remote learning plans, please visit our website (<https://www.fsd145.org/emergency>) for regular updates. You will always find information sorted by date, so it should be easy to follow the most recent updates.

Take care and stay safe. We'll see you soon,

From all of us here at Freeport School District

Overview of Activities for PACC, Grades 5-8

Dear Parents & Guardians,

The remote learning lessons provided are activities and skills to work on throughout the week. Please choose 2 activities to complete with your student each day. The activities can come from any subject. (By the end of the week, your student should have 14 of the 15 provided activities completed.) Activities may be repeated on different days, at your discretion, to continue building specific skills.

Below is an overview of the skills focused on this week:

Math: Student activities will focus on numbers and counting under 100.

Reading & Writing: Student activities focus on writing practice, reading and learning new words from text.

Science: Activities this week will focus on the skill of observation. Students will draw the experiment at the beginning, then draw any changes that occur throughout.

Social Science: Activities focus on communication of our emotions and feelings.

Transition: Activities focus on independent tasks at home.

If you have any questions or concerns, please don't hesitate to contact your student's teacher. Stay safe, stay healthy, and we hope to see you all soon!

Sincerely,

Mr. Kerno (5th -6th):matt.kerno@fsd145.org

Ms.Griggs (7th - 8th) michelle.griggs@fsd145.org
