Good Afternoon FSD Families,

I hope you and your families are doing well and have found some survival routines while we continue the shelter in place order.

Here are a few updates that you should be aware of.

1. Non-digital packets for students in grades PK-8 will be made available at the four grab and go meal distribution sites tomorrow, Wednesday , April 8 and Friday, April 10, from 8 AM- 10 AM.
2. There will also be an opportunity for parents and/or students to take advantage of taking books home to keep and enjoy during remote learning days and beyond. We are grateful to our schools for their book donation.
3. Any parent/student can select books for home even if they don't participate in the grab and go.
4. Parents of students from Carl Sandburg and FMS who signed up to receive chromebooks should have received communication from their principal regarding pick-up procedures at their school tomorrow, Wednesday.
5. If you haven't had a chance to view the *FSD 145 Misses You Video on You Tube*, you might just want to. I guarantee that it will make you smile and proud. Thanks to Tim Connors for engineering this project and to Empire Alumnus and Pretzel Pride Network Editor Xavier Lassandro for his work on this project.
